Article number: 221 773
Description: Anti-theft device

Article number: 221 772
Description: PA-45 cable carrier

Content: 100 cable carriers
Material: Polyamide
Colour: Black

Contents: 100 anti-theft devices
Material: Hardened steel

Cable carrier

The **cable carrier** is used to fix cables to mounting rail 3. The clip is inserted into the profile groove.

Features

- Quick and easy assembly
- Prefabricated for use with mounting rail 3
- Available in diameters of 25 mm and 45 mm
- Weather and UV-resistant polyamide

Anti-theft device

The **anti-theft device** prevents tool access to the hexagon socket in the screws. It is installed using punch 221 774.

Features

- Anti-theft device made of hardened steel
- Retention profile for easy assembly
