Description: Roof anchor pantile-3/500

Content: 500 roof anchors

To fix the roof-mounted system to a pantile roof. When using the pantile-3 roof anchor (Art. No. 221 369), the interlocking bolt is pre-fitted to the roof anchor with the washer and M8 nut.

Roof anchor – pantile

The position of the roof rafters must be taken into account when fixing the pantile-3 roof anchors. There is then usually no need to use the mounting battens supplied in the on-roof installation kit.

Features

- Stainless steel interlocking bolt
- Stainless steel roof anchors
- High mechanical load-bearing capacity
- Easy to align mounting rails
- Proof of structural integrity
