

**Article number:** 231 254  
**Description:** SITOP hand-held display

**Content:** Small display unit for SITOP Solar inverter  
Powerpack for power supply  
Wall bracket  
3 m attachment cable

**Voltage supply:** 9 – 24 V

**Attachment:** RS485, half-duplex, up to 1000 m cable length

**Protection class:** IP20

**Size (W x H x D):** 200 x 130 x 20 mm

### SITOP hand-held display

To display data from Siemens inverters:

- Time/date
- Current output
- Daily yield
- Total output
- Voltage/current
- Diurnal variation of individual inverters
- Error code in plain text

### Features

- Up to 32 inverters may be displayed
- Monochrome LCD display
- Background illumination
