Description: Crossbeam, single

Article number: 231 307
Description: Cross beam, double

Content: 1
Length: 5800 mm
H x W = 105 x 50 mm
I_x = 85.24 cm⁴
Material: Aluminium_{Natural}

Content: 1
Length: 5800 mm
H x W = 105 x 85 mm
I_x = 152.02 cm⁴
Material: Aluminium_{Natural}

Crossbeam, single

Crossbeam, single, for statically determined struts, prepared for installation of PV modules. They are pre-drilled on both sides for a single profile connector (231 306). The PV modules are fixed to the crossbeams with clips.

Features

- Quick and easy assembly
- Weather-resistant aluminium
- Flexible arrangement of modules
- Proof of structural integrity

Aluminium_{Natural}: Plate finish (similar to RAL 7035, light grey)

Crossbeam, double

Crossbeam, double, for statically determined struts, prepared for installation of PV modules. They are pre-drilled on both sides for double profile connectors (231 304). The PV modules are fixed to the crossbeams with clips.

Features

- Quick and easy assembly
- Weather-resistant aluminium
- Flexible arrangement of modules
- Proof of structural integrity

Aluminium_{Natural}: Plate finish (similar to RAL 7035, light grey)
