

Outsunny

Bring your garden to life with Outsunny. Specialising in reliable outdoor furniture to see you through the seasons, let our selection of beautiful rattan, spacious storage, impressive gazebos, comfortable loungers and more complete your landscape in serious style.

Door Awning

Perfect shelter for your home

Keep the elements, come rain or shine, away from your doors and windows with this clear double outdoor canopy. The curved design offers better protection against the sun's glare, UV rays, light snow and rain. It's easy to mount on the wall, and is suitable for the majority of doorways and windows - a truly versatile piece for all outdoor areas where it's needed. Now you can enjoy the outdoors all year round, fuss free.

Features:

- Polycarbonate panels with a UV-resistant layer to protect you underneath the sun
- Solid PP bracket for durability
- Also shields you from light snow and light-medium rain
- All wall mounting kit included in the package
- Perfect for windows, doorways and balconies
- Installation on a solid cement wall is recommended
- Assembly required

Specification:
